**PRESS RELEASE**

**OFFICIAL FOREIGN RESERVES  
October 2011**

In October 2011, official foreign reserves held by the National Reserve Bank of Tonga (NRBT) rose by \$5.8 million to \$213.9 million, compared to \$208.1 million in the previous month. However, when compared to October 2010, the official foreign reserves increased by \$37.4 million. This is equivalent to 8.2 months of imports of goods. The increase in foreign reserves during the month of October was mainly due to higher official capital inflows for the reconstruction of Vaiola hospital and infrastructure development.
