

OFFICIAL PRESS RELEASE

12th March 2019

**OFFICIAL FOREIGN RESERVES
February 2019**

Official foreign reserves held by the National Reserve Bank of Tonga (NRBT) declined by \$5.4 million over the month of February 2019 to \$473.5 million, equivalent to 7.9 months of imports. However, the official foreign reserves increased over the year by \$25.5 million. The annual growth resulted mainly from higher receipts of budget support, grants and cyclone relief funds from development partners. Furthermore, remittance receipts also contributed to the annual increase in foreign reserves.
