OFFICIAL PRESS RELEASE

OFFICIAL FOREIGN RESERVES April 2022

Official foreign reserves held by the National Reserve Bank of Tonga (NRBT) increased considerably in April 2022 by \$22.6 million to \$884.0 million, equivalent to 12.7 months of imports. This was mainly due to receipts of relief funds from Government's development partners to support the country's recovery from the Hunga Tonga - Hunga Ha'apai volcanic eruption and tsunami, in addition to remittance receipts. In year ended terms, foreign reserves rose substantially by \$204.4 million underpinned by higher receipts of budget support, official grants, capital inflows, and remittances.
